1st April do:	Minute by the Honble J. F. Thomas Esqre — Thinks it highly desirable before final orders are passed, that the course pointed out by the Right Honble the Governor in his Minute of 19th March should be adopted — viz that Brigadier McNeill should be instructed to frame his accusations against the Manager into distinct and specific charges — that he should then obtain and record the evidence on each charge and call on the Manager Ram Row to reply and to submit the whole with his opinion to Govt. — Ram Row being in the mean time, as at present, suspended. —	do:	24	1574

Minutes of the Members of Council.

9th Septr 1850.	Minute by the Honble J. F. Thomas Esqre — Concurs in the suggestions of the President, and is of opinion that no other course is open to the Govt. but to uphold the influence and authority of the Resident and the Dewan —	17th Septr.	11	3644
16th Octr. do:	Minute by the Honble D. Eliott Esqre — Concurs in the suggestions of the Right Honble the President in his Minute of the 16th Octr. 1850 —	22d Octr.	3	3951

	Resolution thereon —	do:	5	3952
28th Septr. — do:	Minute by do: — Thinks the course pointed out by the Medical Board should have been pursued by Dr Paterson — but is of opinion that some communication should have been made to him direct by the Supg. Surgeon and not through his Junior — Sees nothing more necessary or called for than that Dr Paterson should be apprized of the approval of Govt. of the Medical Board's censure and instructions —	5th Novr.	25	4167
	Vide No. 26 under President & Governor.			
17th Octr. do:	Minute by the Honble D. Eliott Esqre — In reference to the question of the eligibility of Dr. Paterson to retain the appointment of Physician to the Rajah of Travancore on his having attained the rank of full Surgeon, seems to think that no rule requires the removal of Dr Paterson in consequence of his promotion, but that the usage as far as it has been ascertained, is in favor of his being continued in his present position while it is the desire of the Rajah to retain him — That however Dr Paterson may have erred on the occasion which led to a reference to Govt. and he concurs in the opinion that Dr Paterson did err, it does not appear to him that his removal from his appointment is called for as a punishment — Conceives that the concurrence of Govt. in the censure of the Medical Board is a sufficient animadversion — remarks at the same time that the Supg Surgeon is to blame for the very informal manner in which he conveyed his instructions to Dr Paterson, vizt through a Subordinate Officer —	do:	30	4181
19th do: — do:	Minute by the Honble J. F. Thomas Esq — States that he has already expressed his opinion on Dr Paterson's conduct in his note of the 28th Septr. last — concurs with the Honble Mr Eliott in considering Dr Paterson's removal from his appointment uncalled
